GIFTS OF SECURITIES

A contribution of appreciated securities may be an excellent way to support the campaign. The donor of appreciated securities will not ordinarily be subject to capital gains tax on the appreciated value of the gift. Please consult your tax advisor for potentially significant tax advantages.

MATCHING GIFT

If your employer offers a matching gift program, you may be able to double your contribution to this project. Please include a matching gift form with this pledge form.

It is understood that the Beta Eta Chapter and MSM TEKE, Inc., will reasonably act in reliance upon your pledge to borrow moneys, incur expenses, enter into contracts, undertake projects or obligations, or solicit additional donations or pledges.

HOUSE CORPORATION SUPPORT

Gifts through MSM TEKE, Inc., are **not tax deductible** as charitable contributions for federal income tax purposes but are essential for achieving the goal of constructing both the educational and the non-educational areas of the Chapter House.

We urge your thoughtful consideration of this project. An investment in the future of Tau Kappa Epsilon will ensure continued success at Missouri University of Science and Technology and provide a legacy upon which to build an even greater brotherhood.

A portion of the project is deemed non-educational by the IRS, which means there is a need for contributions that are not tax deductible to complete the project.

Your commitment can be made in one lump sum or it can be paid over a period of five years.
